

**GOING BACK  
OVER THE BASICS  
IS OKAY**

**NOTHING IS MORE DISCOURAGING  
THAN JUST BEING TOTALLY LOST**

**WE CAN'T PROCESS INFORMATION IF  
WE DON'T UNDERSTAND THE BASICS  
INFORMATION THAT IT IS BUILT ON**

**IT'S OKAY IF YOU FIND YOURSELF IN  
OVER YOUR HEAD!**

**JUST DON'T LET IT DISCOURAGE YOU!**  
**INSTEAD, REALIZE THAT YOU NEED TO**  
**TAKE A STEP BACKWARDS**

**WE LIKE TO ALWAYS BE PUSHING  
FORWARD AND LEARNING NEW THINGS**

**THAT'S THE TRAP OF TUTORIAL HELL!**

**ALWAYS MOVING FORWARD, ALWAYS  
LEARNING NEW THINGS, NEVER REALLY  
BUILDING UP THAT FOUNDATIONAL  
KNOWLEDGE THAT YOU NEED!**

**THE TRUTH IS, WHEN YOU "MOVE  
BACKWARDS" YOU'RE NOT GOING THE  
WRONG WAY**

**YOU'RE BUILDING YOUR BASE AND  
ALLOWING YOURSELF TO START  
MOVING FORWARDS**
