INTENTIONAL LEARNING

ARE YOU TRYING TO LEARN OR TRYING TO GET SOMETHING TO WORK?

WHEN YOU ARE IN LEARNING MODE YOU DON'T CELEBRATE GETTING THINGS TO WORK, YOU CELEBRATE UNDERSTANDING WHY THEY WORK

IT REALLY HELPS TO HAVE A GOAL IN MIND BEFORE YOU START

I LIKE TO SLOWLY WORK MY WAY UP, INTENTIONALLY FOLLOWING THE STEPS IN BLOOM'S TAXONOMY THE BEST I CAN

TAKING NOTES CAN BE INCREDIBLY USEFUL AND WORTH WORKING AT A SLOWER PACE

THEN YOU CAN START PLAYING WITH THE CODE **REINFORCE WHAT YOU'RE LEARNING** AND PUSH YOUR LEARNING TO THE NEXT STEP

YOU NEED TO **WRITE THE CODE** YOURSELF.

NO COPY & PASTE OR SAYING YOU GET IT. **WRITE IT OUT, LINE BY LINE.**
